

Home Mission—telling the story...

As well as supporting Home Mission financially, we want to be able to share stories from Home Mission supported ministries with you so you can pray for them and maybe even organise to encourage them with a visit from time to time. Here are some ways you can keep in touch...

Home Mission Reps—it would be great if every SWBA church identified a member as a Home Mission Rep with whom we could keep in contact and who would share Home Mission Stories with their church through the year. Please let Carl at the SWBA office know who they are and their contact details

Home Mission Sunday — we'd love each SWBA church to hold a Home Mission Sunday once a year. Contact Carl with the date and he'll put you in touch with one of our Home Mission supported Ministers who will come and share news of what God is doing on their patch. We hope getting to know these inspirational people will encourage you and also help direct your prayers for them.

Home Mission Videos—we are producing short videos from each of our supported ministries that are designed for you to show as part of your Sunday worship and/or church meetings. They are easily downloadable from <https://vimeo.com/swba>

E-News—the SWBA's monthly E-News contains regular Home Mission stories and videos. Please share this with those in your church for their information and inspiration.

Supporting Mission
Together

Who does Home Mission support?

Communities around our nation are being transformed by Home Mission through grants to churches and regions which facilitate church planting, the resourcing of local churches and enable churches to develop new and creative mission projects. Through Home Mission, hundreds of lives have been affected and many have found faith in Jesus.

By working together we can more effectively support the mission of God throughout the U.K. Giving to Home Mission enables:

- *Grants to local churches* supporting church planting, renewing local churches and mission project grants.
- *Regional Associations*, such as the SWBA, who are engaged in missional development in the area, supporting new initiatives and churches and supporting the on-going work of churches and their Ministers and families.
- *National specialist teams* who resource churches in their work through legal, ministries and missional support.

SWBA Home Mission Ministries

In the SWBA, your giving to Home Mission supports,

All Nations, Plymouth—a recently launched church who are working with those who are homeless and asylum seekers. See more of their story here— <https://vimeo.com/188367722>

Breathe Communities, Penzance—a new Pioneer mission project seeking to build a community of people exploring faith. More of their story here— <https://vimeo.com/170841887>

The Wave, Exmouth—a Home Mission grant helps to support the Minister of this new church planting team on the Littleham estate in Exmouth. Take a look at their story here — <https://vimeo.com/270848114>

Devonport Community Baptist Church—support from Home Mission enables this church's missional engagement with one of the most socially deprived communities in the South West. See more here— <https://vimeo.com/217580959>

Love Looe— Home Mission is enabling two Pioneer Ministers who have just moved to Looe, Cornwall to engage with the local community and discern how God is calling them to serve.

Roselands Community Church—a grant supports mission in this community, particularly through the wonderful work of Time Out Café—more here, <https://vimeo.com/189860189>

LIFE Community, Axminster—supporting the work of a Pioneer Minister as she plants a new expression of church around Pippins Community Centre in Axminster.

South West Baptist Association—your giving to Home Mission directly enables the work of your local Association as we seek to inspire, encourage and resource new mission initiatives across the South West and to support established churches and Ministers in their ongoing mission.

How to give to Home Mission

Every Baptist Church is encouraged to give a minimum of 5% of its income to Home Mission every year. If this were to happen, we would be able to continue to support new and established local churches in their mission and continue to fund your Association as they seek to inspire and resource churches and missional communities across the South West. It is best for churches to give to Home Mission by Standing Order or by cheque (details on back page).

Individuals can also give to Home Mission,

- **Standing Order** or cheque (details overpage)
- **Online**— <https://www.give.net/20036313>
- **Text**—SWBA002 to **70191** (£10) or **70970** (£5)
- **Envelopes & Collection Boxes**—available from the SWBA office

Leaving a Legacy

Many people feel that they would like to remember the mission of Baptists in their Will. If you are considering leaving a gift in your Will, please contact the SWBA office.
